Mr. Perez:

I left a voicemail for you today. I represent Melvin Sigure in a personal injury action in the Eastern District of Louisiana in which Fieldwood Energy and Fieldwood Energy Offshore have been named as defendants; Jim Bercaw has filed a Notice of Bankruptcy in that matter. He also indicated that there may be no opposition to lifting the stay.

In that regard, I have drafted the attached Motion and Order. Please give me call to discuss or otherwise respond with your thoughts. I recently had a claim in the Hornbeck Offshore bankruptcy in the Southern District and there was a provision in that proceeding that they stay would not affect certain personal injury matters; I don't know if there is a similar provision in the current Fieldwood bankruptcy or if there is some other way other than the attached motion by which you would suggest to proceed.

Please give me a call to discuss. I am still working remotely for the most part (although I have started to go to the office more now that I have been vaccinated). The best way to reach me is by e-mail or cell: (504) 415-1088.

Best regards,

Hi David,

As discussed, attached please find a draft stipulation to lift the stay based on the template we have been using in Fieldwood's bankruptcy case. Please let us know if we have permission to affix your electronic signature and get this on file, and feel free to call me on my cell at 732.357.5080 with any questions.
